The ability to produce under customer's own brand.

The ability to choose specific Halal certification body.

Half Carcasses (Forequarters & Hindquarters)

Both forequarters
(e.g., 5-rib forequarter with flank from heifer, bull, or cow)
and hindquarters as part of their fresh and frozen beef range.

Available in chilled or frozen form, portioned for export.

Export Weights

Forequarters: approx. 80–120 kg
Hindquarters: approx. 100–150 kg
Standard for international trade,
customizable to customer specifications.

Halal Slaughter

Manual slaughter in compliance with SFDA and GSO standards.
Halal certification by Polish Institute of Halal,
recognized by SFDA (Saudi Food and Drug Authority) and SASO/GSO,
including GSO 2055-1 for halal food chain requirements.
Facilities are certified and registered for export to Saudi Arabia.

Freezing & Packaging

Freezing: Deep frozen at -18°C or below using modern
technology to ensure quality and safety during transport.

Packaging:

Hygienic, export-compliant materials
(e.g., vacuum-sealed or bulk cartons)
suitable for long-distance container transport.
